"Hey Veronica can we try something new?"
He asked as I lay across his stomach kissing his chest. I rolled over to look at him, my eyes wondering. What else could there be, we had tried damn near everything else. I sat up with wide eyes.

"Sure, like what?"
I asked pushing my hair out my face. He kissed me from my back all the way down till he got to my ass cheeks. He licked between them sending shivers up my spine. I had never had anybody lick my ass before and the sensation was amazing. Suddenly I felt the head of his big hard cock ease into my asshole.

"So this is what you wanted?"

"My panties are wet and sticky."
I let myself explore my thoughts, looking for those sexual images which send a shock of adrenaline through my wanting body.

"He made my nipples stiffen!"
Keeping my pussy swollen and turned on. I closed my eyes and my thoughts would get carried away. If only there were two strong, willing men who would pin me down on the bed and put their erections inside me.'

"Bailey: I probably shouldn't do these things."

table manners

I had already received a picture of Melanie and knew that if she even looked half as good as she did in the picture then everything else would work out just fine. She said she was really unhappy at home and was just looking for a tryst. A romantic affair with no need for a relationship. She was tall, toned and tanned with legs that seemed to go on forever. Her breasts seemed absolutely perfect and all real. I imagined that I could taste her sweet nipples, sucking and lightly nibbling just enough to make her moan for more. I couldn't wait to meet her in person.

We agreed to meet at a local coffee spot and see how things went from there. I got there before Melanie and was already sitting at our table when she arrived.Just like her photo, she was gorgeous. Her blonde hair just barely brushing her shoulders. The blouse that Melanie had on was a soft pink that offset her skin color perfectly. The blouse was just thin enough that I could see the outline of her lacy bra underneath. When I looked in her eyes I was frozen, the sapphire blue just took my breath away. And her lips, oh baby those lips, so luscious and pouty. Perfect to wrap around my thick eight inch cock which by now was definitely waking up from a nice slumber. What could possibly be going on at home that she was looking to hook up. I really didn't care.

Where we live, when it gets dark, everyone goes inside. So we went to the park and were walking around just talking and enjoying the night and the company when I felt Melanie tug on my arm. She looked me in the eyes and asked, "Are you nervous?" Of course my response was, "No, should I be?" Melanie then told me, "No reason. I just thought by now you might try and kiss me, at least I was hoping that I would."

Well, who was I to turn down an invitation like that? After making sure that it would be alright to kiss her, I took Melanie to the edge of the walk path where there was a picnic table and bench and helped her to sit down. I then took her face in my hands and ever so slowly lowered my lips to her. At this point my heart started to race in my chest, my breathing was speeding up, and of course my cock was straining to be freed from my pants. I could feel Melanie running her hands along my back and the tops of my thighs. She was moaning from pleasure, her chest heaving, and reaching out to grab my cock. The feel of her hand on my very hard member felt like electricity shooting through my body. I truly thought that I would cum right then and there.

I reached up and lightly felt her breasts through her shirt and bra. Melanie told me to take her shirt off, so I did. She then helped me to ease her bra off and then her breasts spilled onto her chest. Not wanting to seem too over eager, I lightly brushed my lips and tongue over her hard nipples. I got so lost in the feel of her hand on my cock and my mouth on her tits that I didn't at first realize that she was guiding me down to lie on top of the picnic table. I lay on my back and she fed her nipples back into my mouth, all the while she was doing this I felt her unzipping my pants freeing my now very stiff and thick cock. Not to brag, but when I have a normal hard-on my cock measures about seven inches around, but when I am really excited I have measured as much as eight inches of very hard cock.

Melanie helped me to slide my pants down around my knees and then she began to kiss and suck me through my boxer briefs. Just feeling her hot breath through my briefs was so erotic.

My cock was so hard at this point that it was peeking out over the top of my waist band of my briefs. She leaned over to flick her tongue along the head and once again I felt electricity rush through my body. She slid my briefs down to meet my pants at my knees, leaving my cock free to her inspection. After staring at my cock for a couple of minutes, she said a little worriedly, "I really don't know if I will be able to get you inside of me." I asked her why she would think that and she said, "Because the largest cock I have had was no where near as big around as you are." I told Melanie not to worry, it would definitely fit.

Melanie gave me a look of disbelief and asked, "Will it fit in my ass too?" Now this blew my mind as I have never had a woman just straight out make a point of saying that they would like to have my cock fill their ass, so I asked Melanie, "Is that what you want?" Melanie only had eyes for my tool and was staring at it as if that was who was talking to her and she answered, "Yes, I want the whole thing." I assured her that we could try and if it got to be too much for her then we would stop, she seemed pleased with that answer. Of course, my mind was imagining just taking my cock and ramming it deep inside of her while she moaned with pleasure begging me for more.

Melanie began running her tongue all over my cock, flicking her tongue over the head and then back to the back. She slowly took one of my balls into her eager mouth and began sucking on it too. She was kissing my dick from top to bottom and back again and then she took it deep, her pretty mouth stretched wide around my stick. I ran my hands through her hair and started moving my hips to the rhythm of this great sucking. She had all but about an inch in her hot mouth when I felt the first stirrings of spunk trying to rush up through my cock into her waiting mouth.

She must have realize that I was about to cum because she clamped down tighter on my cock and forced the whole thing into her mouth, burying her chin in my nuts. I called out to her that I was about to cum and she started to pump my cock faster, her head bobbing up and down faster and faster. My hips were thrusting harder and harder. Just when I couldn't take it anymore and knew that I was going to cum, I jumped up which caused her to sit on top of the picnic table, and I stood up on the bench.

I wrapped my hands in her hair and shoved my cock all the way in and began fucking her mouth, pounding away while her tongue was doing all sorts of incredible things to my balls. She never missed a drop, I shot stream after stream of hot jizz into her waiting mouth and she kept swallowing. When I had finally finished, I pulled out my cock and looked at Melanie. She just smiled and said, "I love to suck cock, did I forget to tell you?" I just looked at her and smiled and said, "Now it's your turn."

Melanie said she wanted to have her cunt eaten really good but more than that she wanted to try and get my hard cock into that ass. Not one to turn down a woman such as this, I definitely agreed, but only after I had gotten her good and wet. After helping to ease her out of her lacy thong panties, I buried my face between her beautiful thighs, the heavy aroma of her sweet pussy tickling my senses. I was lost. I slid my first finger lightly down the crack of that beautiful ass all the while letting my spit and her juices create a lube worthy of any good ass fucking. I found the opening of her hot little brownie and let the tip slip in ever so slightly. I didn't feel any resistance so I slid it a little more. Feeling this Melanie pushed back against my fingers causing it to slide in even further, all the way to the last knuckle. Damn, this hot woman was fucking my finger and my face like there was no tomorrow.

Her hot juices began pouring out of her, drenching my face and hand and running all over her ass. I couldn't help thinking, that this was the time. I asked if she was ready and Melanie affirmed that she was more than ready. She said she wanted to lie on her back and put her feet up over my shoulders that way she could play with her button while I was fucking her ass. This sounded great to me, so I helped her to lie down and get comfortable, at least as comfortable as could be on a picnic table.

I took my cock and ran it all over her pussy and ass, getting it good and wet so that I wouldn't cause any more pain than I absolutely had to. While running my cock against the opening of her cunt, I couldn't help but let it slip inside. Damn she was tight inside, moaning and squirming like she was I knew that I wouldn't be able to hold out for very long. I kept pumping my cock in and out of Melanie tight honey hole, more juices were running down her legs and ass crack, getting me all lubed up. About that time she took matters out of my hands and lifted her hips to meet the head of my cock. By doing this, she got it started in about a half inch. She then looked at me so I drew up my knees, lifted her ass up a little higher, and buried my cock all the way in her ass. I heard Melanie let out a deep breath and moan, "Ohhhh." I asked her if she was alright and she nodded that she was. She then started rocking her hips causing my cock to slip in and out of her.

Melanie was getting so turned on that she began to scream out my name and telling me to go harder and faster. I was fucking this hot piece of ass like it was a pussy, hearing my balls slap against her ass. She began to cum, her love juices pouring out of her. My orgasm was building to an intensity that could not be matched and I told her I was going to cum, Melanie told me to fill up her ass. I began to pump even harder, barely able to restrain myself when I felt the first streams let go, this was my best cum ever, it was so strong and intense.

After a minute my cock started to soften and slowly plopped out of Melanie ass. The opening was still stretched from the good fucking that she had just received, my spunk running out. She reached down and ran her fingers through my cum and began to rub it all over her ass and pussy. We got cleaned up the best we could and headed out of the park. I offered Melanie a good hot shower at my apartment and she agreed. As we were on our way, Melanie asked me if I had ever thought of having two women and I told her, "Yes, I have thought about it, what man hasn't, but I have never had the opportunity." Melanie looked at me with a devilish gleam in her eyes and said, "Just wait and see what I have in store for you then."

"Why are you sitting over there?" Mercedez said lightly, looking into his eyes. He gave in and came to her. She placed her lips onto the tip of his long cock. She exerted more force and pressed her lips hard finally opening her mouth and taking it in.

"I want more foreplay!" Now she leans back, her wet pussy anxiously awaits his cock. Billy puts his cock into her waiting wet hole. Now both are entwined. While doing all this, she sometimes vocalized a sound of "Aahhhh..." which indicated her pleasure.

"That's better. I like that."

“Bet you like that, huh, Evan?”

Within a second, I let my tongue snake out and lick his shaft all the way down to his balls. I was hoping to move my tongue a little closer to his ass. Instead, he combs his fingers through my hair and pulls me closer.

“Gia, you taste really sweet!”

She did taste sweet, innocent, even. And she knew it. I could tell by the way she moaned and writhed in my arms. As her legs widened a bit more, I noticed the way she was moving her hips in small circles. I licked her again, this time making it last longer.

“It was hard to contain myself!”

"Lee, I can't stand it anymore!"
I quickly tossed my panty to the ground and climbed on top of him. Putting both feet on either side of his hips, I lowered my glistening wet pussy inches from his throbbing, spit covered cock. Using my hand, I guided his dick into me and slammed down on it with some force.

"My dick slammed hard in Makayla!"
She continued slipping it in and out of herself. Then she let me out of her and turned around, leaning forward. It gave me a view of her tight asshole and her pussy lips gripping the skin of my dick as it continued to ram in and out of her.

"Do me harder!"

don't just watch me

My husband's a dud. I need a well-hung dude and I found one across the street

It's late morning, I'm lying in bed, alone, naked and horny. I've been like this since hubby left for his new job. Toys are okay, but no replacement for the loving a man can give me. My hands are trying to pleasure me. One is kneading the soft flesh of my breast and the nipple gets excited, the other is caressing my lower belly, working it's way down. One finger teases my clit and parts the swelling flesh of my labia, feeling the moist inner flesh. The better it feels the more the nipple teasing hand works on that breast.

Then I pick up my favorite dildo and slide him up and down the damp, pink skin of my womanhood. The thick, eight incher is life-like and feels like skin. I suck the bulbous head to wet it for entry and taste my own flavor. I wetly lick the entire length, then quickly insert the fleshy head between my thighs and slide him into me in one swift thrust. I switch him on low and feel the vibrations deep inside, and savor the feeling. I begin sliding it in and out of me as if fucking a real man. I engulf it up to the simulated balls, then pull out until just the head is inside me. It shines in the low light with my inner wetness, so I bring it to my hot mouth and suck it again.

I lick the shaft as if it is a live, throbbing cock, exciting myself deeper and deeper. Then once again it is thrust into me with both hands. In and out and in and out, fast and hard, just the way I like it. Over and over until my body gives up a climax of low intensity. It was OK, but not real. I wonder out of the bedroom and look outside to see the cute neighbor mowing. His rippling muscles shining with sweat as he walk along his yard. My body was yearning for the heat of an excited body. Then I decide to throw on some short shorts and matching top, and nothing else and go into the garage.

I push the mower to the drive and pull the starter cord, but only when he's looking my way. I bend from the waist to look at the engine, knowing he can see my shorts pulled into the slit of my womanhood. Once I know he's watching, standing like he's cooling off, I pull the crotch aside and do a bend that show him what I got. I see him coming to help me and begin pushing the mower back into the garage, out of sight of other neighbors. He asks if he can help me, looking at the mower.

I'm checking the bulge in his shorts. He is eyeing my hard nipple poking thru the soft material, and that only makes them more excited. The crotch of the shorts still pulled tight between the

I started with his balls and took each one in my mouth swirling my tongue around to get every sweaty drop. Then up his shaft to the tip and down again.

the lips that don't kiss, but love to be kissed. I can see the outline of a semi-stiff member in his shorts, and it's growing. Without shutting the door, I take him by the hand to the front of my car, push him back against it, and plaster my hungry body to his.

Now, I can feel the throbbing flesh he's sporting, so my hand goes down to massage it. It's not as big as my husbands' but a nice substitute for now. He spins me around, lifts me to sit on the hood of the car, pulls the shorts from my body in one swift move. He parts my thighs and falls, face first, into the wet, sweetness of my body. His tongue wastes no time and is licking and lapping and stabbing my pussy and licking hard clit. His hot tongue quickly brings me to a climax.

Then without any warning, he climbs up and mounts me, his stiff shaft penetrating my wet flesh like a hot butter knife. He slides completely into me to the hilt. I was surprised when he began slamming his hard cock into me in a way no one had before. He was pounding my pussy like he was trying to fuck it to death. In a matter of minutes I felt his hot pearly juices mixing with my own deep inside me. But, he didn't slow down a bit but kept pounding me on the hood as his cock fucked me hard, like never before, the mixture of my juices sloshing as his cock sank deep, squishing out around it wetly. I felt another cum welling up in my belly just a he repeated the first time he shot into me. The pearly hot mixture was running down my ass and thighs, but it felt too good to stop, so I wrapped my legs around his back and thrust my hips into him, grinding my pelvis against him.

Over and over I came, amazed that he also shot four hot loads of his fluids into my sopping pussy. We were both exhausted and just lay there for a minute. I could feel his waning hardness as more warm cum ran from my body. My thighs and ass were covered with it. I watched as he pulled his flaccid manhood from my pussy's grip, and it was soaking wet and his balls were dripping with the mixed juices of our encounter. We slid off the car hood and just looked at each other.

Then there in front of him, and to my own surprise, I drop to my knees and began to lick him clean as I felt creamy wetness running down my thighs. I started with his balls and took each one in my mouth swirling my tongue around to get every sweaty drop. Then up his shaft to the tip and down again. My tongue was not enough so I take the whole thing in my mouth and while in there I flick my tongue around the base searching out any remaining cooze. When I finished, he pulled up his shorts and I watched his young cock disappear behind them. I went into the house to clean myself up before hubby comes home for dinner.

fresh... pussy

I licked and sucked on her clit and pussy lips as she did me in sixty-nine.

I have never told anyone this, but I had lesbian sex once, six years ago in college with a sorority sister. I knew she was bisexual, and didn't have a problem with it. She never hit on me, so it was cool. She was hot, what people call a 'lipstick lesbian.' Very pretty, perfect figure, and very feminine. It all came about after a night of hard partying, and we were back at the house in the living room. I had been playing touchy feely with my boyfriend at the party, but he got too drunk and we dropped him off at his place. He had his hand in my pants, and mine in his, and it ended a little prematurely. He zipped up and left me high and dry so I dropped his ass on his doorstep.

I started complaining to Danni, and when she jokingly said if you need a helping hand let me know. I thought to myself, why not? We went back to her apartment, and I was nervous and excited at the same time. She slowly undressed in front of me and then she undressed me. She had the most perfect breasts I've ever seen, round and perky, big areolas and erect nipples. She had a nice hourglass shape, her waist was tiny, her tummy flat, and her pubic hair shaven completely clean.

We stood in front of each other naked, and she reached out, cupped my breasts, and teased my nipples to erection with her thumb. I did the same to her. She wrapped her hands around my back, and pulled me into her. Feeling her breasts press into mine felt great, and I could feel her nipples rub against mine. She kissed my shoulder, then my lips. So different than a guy whose face can be rough, just soft skin, and I can still remember the waft of her perfume.

We laid on her bed, and explored each others bodies, and when I rubbed her vagina, she was very wet. She began kissing, licking and sucking down my body, and began giving me oral. It was great. She shifted around and put her vagina in my face. Her labia were much more pronounced than mine, and much darker. I licked and sucked on her clit and pussy lips as she did me in sixty-nine. I came before she did, and I finished her off with my hand, while sucking her nipples. All in all, I did enjoy it, mostly the softness of a woman's body, and her breasts, and the fact she knew how to hit my hot buttons. I stayed all night and in the morning she made the best coffee, ever.

"Maxine, you shaved it clean!"
There it was in all its glory and I stared in utter amazement. If her clean-shaven mound wasn't enough, her pink, wet, and willing pussy was more than exposed. There it was, a wet pussy inviting me in. This new game of spin the bottle has become my favorite.

"Mmmm,you're so big Talon!"
Hearing her say my name with my cock in her mouth got me aroused even more. I had all I could do to concentrate on not cumming, she was that good a cocksucker.

"You taste so goooood!"

"Page, you've been a bad girl!"

Frequently I would fantasize about being the only student in an after-school detention. I'd imagine my teacher coming over to me, picking me up and putting me onto his large oak desk. I would want him to make me spread my legs for him while he felt and probed my body all over, and over.

"But dear sir, my lessons?"

I'd feel my pussy getting more excited as he laid me on the table leaving me spread eagled with every private part of me on show. I would sit there in my classes with my nipples hard and erect because I was thinking such dirty thoughts.

"I'll have to stay after class!"
